

DONOR TRAVEL WORKSHEET

Your recent traveling and residency information is important when you donate blood. If you have traveled or resided outside the United States or Canada in the past 3 years, please complete this worksheet. Use additional sheets if necessary.

Instructions:

- Complete the Donor Travel Worksheet to assist the technician with determining your eligibility
- Bring the worksheet with you to your donation

| Where did you live outside the United States or Canada? Please list country/ies | Date of arrival in foreign country | Date of departure to the US |
