## Blood Donation Serum Program

### Together for a Cure, your donation can help.

BLOODWORKS IS PARTNERING WITH RESEARCH and medical institutions in clinical trials to develop treatments for patients with life threatening diseases. An important product we're providing is **human serum** derived from whole blood. Currently, local clinical trials **rely on these blood donations** for blood cancer research treatments.

**Donation takes less than 1 hour. Compensation is offered for your time.**

#### PATIENT ELIGIBILITY

- Eligible volunteer blood donor ([bloodworksnw.org/eligibility](http://bloodworksnw.org/eligibility))
- 18 years or older
- Fasting is required (12 hours, clear liquids only)
