

**Josefina Fernandez McEvoy**  
**Chief Legal & Compliance Officer and Corporate Secretary**  
**GreenSTOP Inc.**

Josefina is a senior legal executive and consultant with over 20 years of international in-house and private practice experience in a diverse set of global organizations.

Prior to joining GreenSTOP, a startup offering a retail and compliance Artificial Intelligence Platform for registered cannabis dispensaries, Josefina served as Chief Legal & Compliance Officer and Corporate Secretary for Kinetic Renewable Energy Services DMCC, a global developer and independent power producer of utility scale solar projects. Preceding that, she was in house counsel for NJ Capital Advisors, a private equity consulting and asset management firm, and a partner at some of the U.S.' largest law firms, where she specialized in business reorganizations and recapitalizations.

Josefina has been an active volunteer, leader and executive with the Hispanic National Bar Association (HNBA), the American Bankruptcy Institute (ABI), and the American Bar Association. She has 20 years of experience as a member of nonprofit boards, which include the HNBA Vision in Action Endowment Fund Board of Directors, HNBA Board of Governors, HNBA Legal Education Fund Board of Directors, and the ABI Board of Directors. In addition to serving on the Board of Trustees of Bloodworks Northwest, Josefina's community leadership includes service as a member of the Adult and Youth Education and Formation Councils of Santa Monica Catholic Community.

Josefina is a strong strategic thinker with proven leadership capabilities across multiple countries and global organizations, including the World Bank and the United Nations Commission on International Trade Law (UNCITRAL). She is a prolific author and public speaker on commercial and restructuring topics. She holds a Juris Doctor from the Temple University Beasley School of Law and a Master of Education and a Bachelor of Arts from Temple University.

Josefina is an immigrant from the Dominican Republic, moving to the U.S. when she was 19. Her husband, John, is a construction safety director for a multinational engineering firm and an avid skier.
