

**Katie Rogers**  
**Principal**  
**Health Management Associates**

A senior executive with more than 20 years of health care operations, compliance and oversight experience, Katie is adept at leading and implementing programs at the highest levels.

Katie worked as a vice president of compliance with Centene Corporation for seven years and spent six years at Coordinated Care Health Plan in Washington State, including, one year traveling to health plans in need of interim executive compliance expertise.

In her role with Centene and as the director of government programs at Community Health Plan of Washington, Katie created compliance programs for Medicaid and the health insurance Marketplace, including regulatory operations oversight, risk assessment, contract oversight, fraud/waste/abuse, privacy and security. She improved Medicaid audit scores and reduced costs while directing government contracts for Community Health Plan of Washington. As an executive leader, Katie also has experience with strategic planning, budgeting, staff development, and onboarding and training new executives. She served as executive sponsor for several key programs as well as implementing the Centene Health Plan in Washington state.

Katie was appointed to the Washington Health Benefits Exchange Advisory Committee, serving for five years. She also served for six years on the Board of Directors for the Association of Washington Health Plans and is currently a trustee for Bloodworks Northwest.

She has a bachelor's degree from the University of Washington and a certification in healthcare compliance from the Health Care Compliance Association.
