

Nathan Pritchard

Principal & Managing Partner
NINE75

Nathan Pritchard joined the Bloodworks Northwest Board of Trustees in 2019. He is currently a Principal and Managing Partner at NINE75, a consulting company that provides strategic direction and support for biotech, biopharma and nonprofit healthcare organizations.

Nathan has over 20 years of finance, strategy, and management experience in healthcare, educational non-profits, and investments. His professional experience includes roles and responsibilities in finance, mergers and acquisitions, integrations, licensing, investments, alliance management, operations, corporate transformations and/or expansions, and portfolio strategy and planning.

Prior to NINE75, Nathan worked at Bristol Myers Squibb, ZymoGenetics, Seattle Pacific University, The Walter Group, and The Sextant Investment Corporation.

Nathan is a Northwest native with a BA in Economics and an MBA from Seattle Pacific University. Nathan's education also includes a Post-MBA in Finance from Seattle University and a Post-Grad in Accounting from the Foster School of Business at University of Washington.

Nathan is married with two children. He is also active in the local sports community as a youth coach and area Little League board member.
