

# Senior Graduation Cord Program

Seniors who register to donate blood four or more times during their high school or college career earn a red graduation cord to wear during commencement events\* to be recognized for their commitment to providing life-saving donations. Donating blood is an opportunity for students to give back to the community.

- Seniors must complete the requirement by May 15 (or by the date of their school's final blood drive of the year).
- Students can qualify by registering to donate blood at any BWNW sponsored locations, including their school blood drive(s), community blood drives, or donor centers.
- Start by downloading the donation tracking form (below). Once you have completed your fourth blood donation,
- Scan or take a legible photo of this form and email it to [studentincentives@bloodworksnw.org](mailto:studentincentives@bloodworksnw.org).

**\*It is your responsibility to check with your school if wearing your red cord is acceptable for graduation celebrations.**

Name (first and last): \_\_\_\_\_ Donor ID: \_\_\_\_\_

Address: \_\_\_\_\_ Email: \_\_\_\_\_

Phone: \_\_\_\_\_

School: \_\_\_\_\_

Graduation Year: \_\_\_\_\_
